

**Basel Convention on the Control of Transboundary Movements
of Hazardous Wastes and Their Disposal**

**Rotterdam Convention on the Prior Informed Consent (PIC)
Procedure for Certain Hazardous Chemicals and Pesticides in
International Trade**

Stockholm Convention on Persistent Organic Pollutants (POPs)

BC-RC-SC /AHJWG.1/INF/1

**Ad hoc joint working
group on enhancing
cooperation and
coordination among
the Basel, Rotterdam and
Stockholm conventions**

Distr.: General
10 January 2007

English only

First meeting

Helsinki, 26-28 March 2007

Items 3 and 4 of the provisional agenda*

**Consideration of the supplementary report on
enhancing cooperation and coordination among
the Basel, Rotterdam and Stockholm conventions**

**Preparation of joint recommendations on enhancing
cooperation and coordination among the Basel,
Rotterdam and Stockholm conventions**

**List of national contacts for the Basel, Rotterdam and Stockholm
conventions (as at 9 March 2007)**

The attached contains the list of the national contacts for the Basel, Rotterdam and Stockholm Conventions. The list includes national contacts for Parties and non-Parties that have been transmitted to the Secretariats.

I. Basel Convention

A. Focal Point (FP)

“Focal Point” means the entity of a Party referred to in Article 5 responsible for receiving and submitting information as provided for in Articles 13 and 16.

B. Competent Authority (CA)

“Competent Authority” means one governmental authority designated by a Party to be responsible within such geographical area as the Party may think fit, for receiving the notification of a transboundary movement of hazardous wastes or other wastes, and any information related to it, and for responding to such a notification, as provided in Article 6.

* BC-RC-SC /AHJWG.1/1.

II. Rotterdam Convention

A. Official Contact Points (OCPs)

The secretariat communicates with its Official Contact Points on official issues such as notices regarding participation in meetings of the Conference of the Parties, circulation of the reports of these meetings, proposals for the addition of chemicals to Annex III of the Convention and inclusion in the PIC procedure, and the nominations of experts to subsidiary bodies such as the Chemical Review Committee.

The functions of Official Contact Points are clearly distinguished from the ones of Designated National Authorities (DNAs), with whom the secretariat regularly communicates on administrative matters required by the Convention.

B. Designated National Authorities (DNAs)

Designated National Authorities or DNAs play a crucial role in the implementation of the convention. They serve as the focal point in their country for the dissemination of information concerning the provisions of the Convention to the relevant government departments as well as to other partners such as export and importing industries and customs officers.

One important requirement in nominating a DNA is that governments shall ensure that the DNA is provided with the necessary resources to effectively carry out their responsibilities. DNAs are also responsible for providing information to the Secretariat and to other participating countries as required by the Convention.

In line with the Convention, each Party shall designate one or more national authorities to act on its behalf with regard to the performance of the administrative functions required by this Convention. The decision as to the number of DNAs is up to individual governments. Most Parties have decided on the nomination of authorities regulating chemicals in their country, while others have nominated authorities responsible for foreign affairs.

DNA roles and responsibilities

- Notifying the Secretariat of national final regulatory actions
- Submitting proposals for severely hazardous pesticide formulations
- Providing importing country responses to chemicals subject to PIC
- Communicating the received import responses to stakeholders in that country
- Sending and acknowledging export notifications
- Information exchange

III. Stockholm Convention

A. Official Contact Points (OCPs)

Official contact points for the performance of administrative functions and all formal communication under the Convention for Parties, designated in accordance with decision SC-2/16 of the Conference of the Parties to the Convention.

B. National Focal Points (NFPs)

National focal points for the exchange of information, appointed pursuant to Article 9 of the Convention.
